# THREE FUNDAMENTAL QUESTIONS

QUESTION 01 ·  
BUSINESS

## WHERE TO BUILD BUSINESS

Jurisdictions with maximum opportunities and minimized threats. Game-changers and traps. A decision on which capital retention depends.

QUESTION 02 ·  
RESIDENCY

## WHERE TO LIVE STRATEGICALLY

Safety, regulatory climate, access to capital and healthcare. Residency as an infrastructure choice.

QUESTION 03 ·  
EDUCATION

## WHERE TO EDUCATE CHILDREN

Educational environment, languages, institutions through which the next generation passes.

# «GOVERNMENT OF THE FUTURE» — WHAT WE WILL WORK THROUGH

<p>01 / 07</p> <h2>STRATEGIC CHOICE OF LOCATION</h2> <p>Where to educate children, where to live, where to build business — places with maximum opportunities and minimum threats.</p>	<p>02 / 07</p> <h2>MULTI-PASSPORT WORLD</h2> <p>Living across several countries, passports for investment, travel and residency, global mobility strategies.</p>	
<p>03 / 07</p> <h2>LIFE AFTER THE STATE</h2> <p>Which transformations of the very concept of «state» to prepare for.</p>	<p>04 / 07</p> <h2>REGULATORY ANALYSIS</h2> <p>Assessment of rules of the game across jurisdictions: opportunities, risks, game-changers. Grounds for an informed choice.</p>	<p>05 / 07</p> <h2>DECODING FRAMEWORK</h2> <p>The skill of seeing the coordinate system and quickly reading a country's institutional matrix.</p>
<p>06 / 07</p> <h2>INTELLECTUAL COMMUNITY</h2> <p>An entrepreneurial club discussing transformation of the state, industrial transition, evolution of economies.</p>	<p>07 / 07</p> <h2>ANALYTICAL MEMO</h2> <p>Final document summarizing what the next generation of states might look like.</p>
